FITTING INSTRUCTIONS

- Firstly, carefully clean the radiator, being careful not to damage any of the fins.
- Prepare the radiator guard and clamping plates by inserting 4x rubber bungs (**Item 2**) in the positions circled in orange in the **Assembly Diagram**. When fitting, please make sure that (once assembled) all of the rubber bungs are facing so that the larger side is facing inwards towards the radiator and only the smooth side (no hole) is visible.
- Remove the bottom OEM radiator fixing & remove the top 2 OEM radiator fixings as shown in **Pictures 1 & 2**, taking note of the OEM fixing assembly layout.
- Offer the radiator guard up to the radiator.
- Attach the R&G radiator guard (**Item 1**) using the 3x M6 bolts (**Item 3**), washers (**Item 4**) & nuts (**Item 5**), whilst retaining the OEM sleeves & rubber grommets in position.
- Check all components are secure and all bolts are tight before riding.

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RACING RETURNS POLICY (NON-FAULTY GOODS)

Returns must be pre-authorised (if not pre-authorised the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.
