

Fitting Instructions for OCG0010BK Oil Cooler Guard
APRILIA DORSODURO 1200 2011

In This Kit There Should Be
1x Oil Cooler Guard (OCG0010BK)
4 x Cable/Zip Tie
2x 100mm Lengths of self adhesive Foam

- To fit the oil cooler guard to the bike, cut the foam strip provided into 10mm wide pieces and stick them to the back of the oil cooler guard frame, so that they sit between the oil cooler guard and the oil cooler.

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RACING RETURNS POLICY (NON-FAULTY GOODS)

Returns must be pre-authorized (if not pre-authorized the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.

Instructions de montage de la protection de radiateur d'huile OCG0010BK APRILIA DORSODURO 1200 2011

Ce kit comprend:

- 1x protection (OCG0010).**
- 2x bande de mousse adhésive 100 mm.**
- 4x colliers de serrage 4 mm.**

- Pour fixer la protection de radiateur sur la moto, vous devrez couper et coller des morceaux de 10 mm de mousse au dos de la protection. Ces morceaux de mousse se positionneront entre la protection et le radiateur.

Instructions

- Retirer le circlips de la barre de 10mm (côté gauche) Voir la photo ci dessous

- Glisser la barre jusqu'à ce qu'il y a assez de place pour placer la protection.
- NE PAS RETIRER LA BARRE ENTIEREMENT
- Placer le haut de la protection sur la barre de 10 mm de diamètre et pousser la barre pour la remettre en place.
- Replacer le circlips
